Separating Your Debris

Debris should be placed curbside, without blocking the roadway or storm drains.

DEBRIS SEPARATION Separate debris into the six categories shown below.

DO NOT STACK OR LEAN

Placing debris near or on trees, poles, or other structures makes removal difficult. This includes fire hydrants and meters.

UNSURE WHERE TO PLACE DEBRIS?

If you don't have a sidewalk, ditch, or utility line in front of your house, place debris at the edge of your property before the curb.

ZONE Any debris placed from the sidewalk toward your property will not be picked up.

NEWS

Assessments.

Normal Household

Normal household

debris of any kind will

not be picked up with disaster debris. You

should continue to follow your normal

garbage removal

schedule.
